

## KALIBER 48

### 2015 KALIBER 48 SPÄTBURGUNDER

Sparkling garnet red. The aromatic shape of these distinct miraculous fragrances is reminiscent of sour cherry and morels, licorice and gunpowder, fir needles, scents of pine and wild strawberry. Also tomato leaves, dried meat and horse stable. The taste displays the iron fist in a velvet glove. A trace of radicchio here, some fine chocolate there, then again smooth as silk. The elegant details of fruit acidity actively promote the taste experience. A dust-dry Pinot noir with sophisticated tannins that give the wine structure and a great remanence on the palate.
